

## Statistics on occupational accidents

**01/01/2026 ~30/6/2026**

*Updated on: 08/07/2026*

Table 1. Number of occupational accident victims by consequence of accident

| Consequence of accident                            | Number of victims |
|----------------------------------------------------|-------------------|
| Temporary incapacity                               | 2,479             |
| <i><u>Back to work on that day of accident</u></i> | <u>269</u>        |
| Permanent incapacity                               | 1                 |
| Death                                              | 2*                |
| <b>Total</b>                                       | <b>2,482</b>      |

\* No violation on occupational safety and health regulation was found. The number of deaths will be revised according to the Court judgments.

Table 2. Number of occupational accident victims by cause of accident

| Consequence of accident                                                                                        | Number of victims |
|----------------------------------------------------------------------------------------------------------------|-------------------|
| Falls of persons                                                                                               | 648               |
| <i><u>Fall of persons from heights</u></i>                                                                     | <u>126</u>        |
| <i><u>Fall of persons on the same level</u></i>                                                                | <u>522</u>        |
| Falling objects                                                                                                | 109               |
| Stepping on or striking against objects                                                                        | 359               |
| Pinching, punctured or incised wounds                                                                          | 483               |
| Excessive force or sprains                                                                                     | 433               |
| Exposure to or contact with extreme temperatures                                                               | 80                |
| Exposure to or contact with electric current                                                                   | 4                 |
| Exposure to or contact with harmful substances and radioactive substances                                      | 22                |
| Injured by animals                                                                                             | 27                |
| Injury caused by transport means                                                                               | 130               |
| <i><u>When carrying out labour activities</u></i>                                                              | <u>84</u>         |
| <i><u>When using the transport means provided by the employer to commute to and from the place of work</u></i> | <u>46</u>         |
| Others                                                                                                         | 187               |
| <b>Total</b>                                                                                                   | <b>2,482</b>      |

## Statistics on occupational accidents
